- Arrive prepared with full gas tank, fluids and tire pressure, proper gear, and attitude for fun.
- Times posted in the ride calendar are the departure times, please arrive one hour before for the pre-ride and safety briefing.
- Sign in on the ride sheet.
- Fill out the Motorcycle Ride Waiver and Release Form in front of this document.
- All rides are led by a Lead Road Captain assisted by other qualified Road Captains - the Road Captain riding at the back of the pack is called the Sweep. Occasionally, on big rides, additional Road Captains will be within the group to assist riders and serve as lead Road Captain should the riders become separated.
- The Lead Road Captain will give a pre-ride briefing, which will include the route, a review of riding rules, an introduction of Road Captains for the ride, mention of any hazardous conditions discovered on the pre-ride and destination plan. The Lead Road Captain will also review the group riding guidelines.
- You "own" your entire lane, if a rider needs to swerve to avoid an obstacle or use another line through a corner, the lane must be clear. Do NOT slide up on the bike in front of you!
- Move to the other side of your lane, do NOT "slide up" and pass the rider in front of you.
- Hand signals will be used as appropriate - these will be demonstrated at the pre-ride briefing.
- Riders should try to maintain their starting position in the group for the entire ride. This will allow them to become comfortable with the riding style of those riders around them.
- No one will be expected to ride beyond his or her comfort level.
- We will not block lanes at stop signs and traffic lights. Do not run red lights or stop signs in an attempt to remain with the pack. The Lead Road Captain will be aware that the ride has become separated and will either slow down or stop and wait until the group is reunited.
- If a rider has any problems, they are encouraged to approach either the Lead Road Captain on a ride or any other available Road Captain. A problem cannot be solved if it is not addressed.
- Ride your own ride: do not be tricked into blindly following the rider in front of you. Remain aware - you are responsible for your safety!
- Every effort will be made to ensure that all riders know where they are and how to get back from a destination. However, It's always a good idea to carry a map of the local areas in case you are separated on the return.
- If there is a problem or a breakdown, the Sweep will stop with the disabled bike, and all other riders will continue with the Lead Road Captain to a safe location before stopping.
- Anyone under the influence of drugs or alcohol at the start of a Lone Oak Campsites ride will be unable to participate at the discretion of the Lead Road Captain.
- Anyone consuming drugs or alcohol during a Lone Oak Campsites ride will be asked to leave the ride by the Lead Road Captain.
