Northwest Corner of Connecticut

Welcome to Lone Oak Campsites!

Center: Founder - the late Abraham "Bucky" Brown
Left to Right: Cooper, Peter, Barry, and Jacolyn Brown

Celebrating our 60th year of "Quality Recreation Through Family Camping"

Lone Oak Campsites was established in 1964 by Abraham "Bucky" and Rosalie Brown. The property, now known as Lone Oak Campsites, has been in the Brown family for over 90 years. Bucky bought the land for farming purposes in 1955 from his father.

The idea of building a campground came from a magazine article describing how farmers were developing some of their land as campsites for extra income. Soon tractor routes through pasture lands became camp roads to small clusters of custom-made sites. Thus, Lone Oak Farm became Lone Oak Campsites.

We are excited to be celebrating our 60th Anniversary. Please see the back cover for the Themed Weekend QR code to view vintage videos/photos from our past years.

Thank you for camping with us,

The Brown Family

Enjoy our weekly Hayless Hayrides throughout the campground.

Welcome, we look forward to meeting you!

Pool activities and parties in the summer!

Pool & Hot Tub

We have two pools and one hot tub located behind the Office building. Guests can access them from the front of the Office building near the restrooms or from inside the Rec Hall. The pool area opens Memorial Day weekend and, weather permitting, will remain open past Labor Day weekend.

Children under 14 years are not allowed in the pool area without a parent or guardian. You must be 18 years or older to watch over a sibling (under 14yrs) in the pool. Pool and hot tub hours are posted at the pool entrance and listed on the recreation schedule. The pool area hours are subject to weather conditions. The pool rules are posted by the pool entrance and the pump house.

Those 16 years and older are allowed in the hot tub. Due to increased heart rate from heat, it is unsafe for children. No one under the age of 16 will be allowed in the hot tub.

The pools are heated to 80°F and the hot tub is heated to 100°F. The small pool's depth range is 2.5 feet - 5 feet; the large pool's depth range is 3 feet - 5 feet.

Periodically, we offer pool games and programs such as "adult swim". These programs allow children to play various games in one pool while adults enjoy the other pool for one hour without any children. Programs are listed on the rec schedule and announced in advance on the campground PA system.

Hayloft Lounge Adult Costume Contest

A variety of live bands or DJ music is played most Saturday evenings starting at 7PM. Band music styles include country, rock, and more. Complete band listing and other special events happening are listed on the rec schedule and in CampersAPP.

Activities like adult scavenger hunts, cook-offs, card games, and more happen throughout the summer.

The Hayloft Lounge hours are posted on the lounge door, on the back of the recreation schedule, and listed on the Lone Oak Park Channel 2.

Food and beverages are not allowed to be brought into or taken out of the Lounge. Shoes and shirts are required.
