East Canaan, CT 06024

Dear Peter, Barry, Cooper, and Jacolyn,

Diagnosed with a blood disorder at birth, eleven-year-old Gianna knew exactly what she wanted her wish to be, and she was ready to make it an experience she'd never forget!

Gianna's wish to have a shopping spree kicked off with a ride with her family as she pulled up in style to Foxwood's Tanger Outlets in a limo. She didn't waste any time and immediately set off for some of her favorite stores: H&M, Ralph Lauren, Old Navy, Forever 21, Adidas, and Crocs. After many exciting hours of shopping 'til she dropped, Gigi and her family were left with quite an appetite. They ventured to The Sugar Factory for an array of delicious food and, most importantly, enough candy and treats to last her for at least the next few weeks. The day was not over yet - it was time to go go-karting at Monza for a thrilling ride. Gigi had so much fun and loved getting to drive around the course.

Support from generous friends like you, made Gigi's wish possible. On behalf of Make-A-Wish® Connecticut and the children whose wishes we grant, it gives me great pleasure to thank you for your generous gift of \$4,220.00!

YOUR support provides necessary hope to more than 400 wish kids who are waiting. Partners like you ensure these kids can replace fear with confidence and sadness with joy. We believe wishes are an integral to a child's treatment journey and it is because of your commitment to helping children in need that we are able to spark joy and create hope for Connecticut wish kids.

Best Wishes,

A handwritten signature in blue ink that reads 'Pamela Keough'.

Pamela Keough  
President and CEO

Please consider this letter as official receipt of your contribution of \$4,220.00 on 9/20/23 to the Make-A-Wish Foundation of Connecticut. No goods or services were provided to you in consideration of this gift. Our federal tax identification number is 22-2710919 and the Make-A-Wish Foundation of Connecticut is a 501(c)(3) tax-exempt organization. Please retain this letter for your tax advisor.
